

Time is running out!

The GED[®] test is changing.

Have you already passed part of the GED[®] test or started studying for it?

It's always a good time to earn your GED[®] test credential, but if you've already started the process, you need to kick it into high gear and finish before December 18, 2013. Here are a couple of good reasons why:

- This is the last year for the current version of the GED[®] test.
- If you have already passed part of the GED[®] exam, your scores will expire at the end of 2013.

2013 is YOUR year!
